

By bus

Reaching Český Krumlov by bus is easy. If you travel from Prague we advise to use the bus company Student Agency which operates frequent bus service between Prague and Český Krumlov. From other places we recommend taking a shuttle bus.

Bus station is near to the centre and to our hotel. If using public transport we strongly advise to use the bus rather than train.

Step off at the final stop (Český Krumlov Bus Station). From the bus station follow the signs to "Centre" by walking across the main road "Objížďková" (across the pedestrian crossing). Walk down the narrow lane to the main square and pass across it (the fountain will be on your left hand side). Pass through the small lane in the bottom left corner of the square and Švaberský dům is on the right hand side (Soukenická Street 35).

The total journey from the bus station to the hotel should take about 10 minutes.
