

## BY CAR FROM České Budějovice

With your car you can enter to the city centre (guests staying exception to otherwise valid no entry for cars to the pedestrian zone) and temporarily park in the square in order to check in and unload your luggage into the hotel. At check in you will receive the permission card to enter the centre by car and the parking instructions.

Upon arrival to Cesky Krumlov you will pass two roundabouts straight and on the third roundabout go to the left (second exit across the bridge), continue straight on for around 400 meters (the Objížďková Street rotates slightly to the right). You will reach a traffic light on top of the hill - here turn right and drive into the pedestrian zone, go down the one-way street until you reach the main town square. Here you can park for a short while in order to check in and unload your luggage. Take the little lane in the bottom left corner of the main square, turn right after about 20 meters and you will see Švamberský dům Hotel in front of you.
